Hello, everyone...Hope you are all doing well. We have a couple of options: We can send you an excel spreadsheet containing the addresses or we can send you a pdf file formatted for labels that you can just copy on to labels at your office. Just let us know what works best. Thanks!

Thank you, Donn.

Did you get my email requesting a mailing list for this site? We are planning sending post cards for notifying about the PHA public comment.

Thanks in advance for any help you can give.
